

# Augusta Energy Solutions, LLC

Thermal Processing Solutions: Furnaces, ovens, burners, heaters, and associated equipment

## ECM-USA

- Automated, vacuum heat-treating furnaces
- Small batch through large, high volume product range
- Gas and/or Oil quench
- Carburizing, hardening, annealing, brazing, sintering

## McLaughlin Furnace Group

- Atmospheric heat treating furnaces
- Internal Quench, Temper/Draw, Box, Car Bottom,
- Safety upgrades for IQ furnaces
- Refurbish services for existing equipment

## JPW Industrial Ovens & Furnaces

- Cabinet, walk-in, bench, & continuous
- Temper, aging, & stress relieving
- Hydrogen embrittlement relief ovens

## HotFoil-EHS

- Preheat & post-weld heat treatment furnaces
- Gas trains & burners
- Ceramic mat heaters, Rope heaters, & power consoles

## Pro-Tech

- Heat & corrosion resistant castings & fabrications
- Cast Trays & Assemblies
- Power Grids, Fixtures, Cast baskets
- Rotary retorts & other furnace parts

## Flextech Industries

- Fabric & metallic expansion joints
- Guillotine, butterfly, louver, & diverter dampers
- Patented BellowSeal guillotine & flap diverter dampers

## Perceptive Industries

- Conveyor ovens for curing & drying applications
- Hydrogen embrittlement relief ovens
- Thermal oxidizers
